## Zoom

Covenant Seminary's platform for meeting with students online in real time.

## Canvas

Covenant Seminary's learning management system. This is where your course site is housed. You can share files with students, send announcements to your class, email students individually, etc.

## Panopto

This page is currently under construction! Thanks for your patience.

Covenant Seminary's platform for recording videos for students and for recording and/or livestreaming lectures from the classroom.

## Calendly

This page is currently under construction! Thanks for your patience.

Covenant Seminary's scheduling software used by full-time faculty and some staff.

## I'm having computer problems, who do I contact?

IT Services:

Phone: 314-392-4111
