

CAMS Updates - Thursday, October 24th 9:00-11:00pm

IT Services will be updating CAMS Enterprise on **Thursday evening (10/24) between 9:00pm and 11:00pm**. CAMS Enterprise will be unavailable during this timeframe. These updates are required to prepare for year-end processing and the beginning of a new calendar year.

CAMS will be updated from version 18.2.1 to 19.3

Please be sure to log out of CAMS before leaving work on Thursday evening.

Thank you for your patience as IT Services attempts to keep our infrastructure in good working conditions.

If you have questions or concerns, please contact IT Services at helpdesk@covenantseminary.edu.
